AT CARDINAL UNIJAX, we take pride in delivering quality products and superior customer service. Our business and reputation have grown over the years because of our ability to customize products to our customers' specific needs. We offer all the basics – straight straws, flex straws, stirrers, wrapped straws and unwrapped straws. But we also specialize in custom printed wrapped straws and special colors. Plus, we'll offer you small minimums and quick turnarounds. That's the Cardinal difference.

At Cardinal Unijax, we've never met a milkshake we couldn't handle, or a delivery deadline we couldn't meet. With the capacity to produce up to 18 million straws a day — and machine operators who average 21 years of experience — we have the expertise to get the job done. We proudly serve industries ranging from healthcare to quick service restaurants to snack and beverage vendors. And we're constantly innovating our product line to incorporate new ideas. It's just our way of ensuring that as straw makers, we stay flexible. And that you have one dependable source for superior straws — and superior service.

*We bend over backwards, fold sideways and print diagonally
to meet your needs for custom envelopes and straws.*
